Anti Sexual Harassement cell organized an awareness lecture for students of senior secondary school to sensitize them about that sexual harassment can take place anywhere, including at school, at work, at college or out in public place. The resource person explained that Sexual harassment is any unwanted verbal or physical conduct of a sexual nature it can include: telling sexual jokes, showing or sending unwanted sexual pictures, cartoons or other sexual images (including online), demanding hugs, dates or sexual favours, asking questions or talking about someone's sexuality, sex life or body, making unnecessary physical contact, including unwanted touching, using language that puts someone down on the basis of their gender etc. It can make you feel embarrassed, offended, intimidated or unsafe and shouldn't be ignored. You need to know your rights and options for action if you are experiencing sexual harassment here are some things you can do: get informed, ask them to stop, keep a record, address it, contact emergency services etc. At the end Kulbir Kaur (In-charge of School) concluded the programme and thanked the resource person for sparing her valuable time and enlightening the students on such sensitive issue.

Impact: students can learn about the physical, emotional, and mental impact that sexual harassment can have on victims. They can also learn about how sexual harassment can lead to mental health problems like fear, depression, and irritation and how to prevent it.
