NAAC ACCREDITED "A++" GRADE

Name of Activity: Workshop on Web Designing using PHP by Softwiz Patiala

Date: 10th April 2024

Number of Participants: 112

Description:

The Department of Computer Science organized an engaging Workshop on Web Designing using PHP in collaboration with Softwiz Patiala on 10th April 2024. The workshop provided students with hands-on experience in creating dynamic websites using PHP. Experts from Softwiz Patiala led the session, covering key topics such as PHP basics, database integration, and website functionality. The workshop, attended by 112 participants, enabled students to gain valuable skills in web development, which are essential for pursuing careers in the tech industry.

Date: 8-04-2024

Subject: Workshop on Web Designing using PHP by Softwiz Patiala

This is to inform all staff members that Department of Computer Science is organizing an engaging Workshop on Web Designing using PHP in collaboration with Softwiz Patiala on 10th April 2024. The workshop will provide hands-on experience in web designing using PHP, covering essential topics like PHP programming, database integration, and creating dynamic web pages. Experts from Softwiz Patiala will guide participants through practical exercises and techniques used in the industry.

The following teachers are assigned duties for the smooth conduct of the event:

- · AP Deepali
- · AP Gurdeep Kaur

All staff members are encouraged to motivate students to participate actively and support the event.

Name of Activity: Seminar on Python using Infowiz

Date: 16th November 2023

Number of Participants: 107

Description:

The Department of Computer Science organized an informative Seminar on Python in collaboration with Infowiz on 16th November 2023. The seminar provided participants with an in-depth understanding of Python programming, its applications, and its relevance in the modern tech industry. Industry experts from Infowiz conducted hands-on demonstrations, shared practical coding tips, and explored real-world uses of Python in fields like data science, machine learning, and web development. With 107 participants, the seminar was a huge success, enriching attendees' knowledge and skills in Python programming.

Subject: Seminar on Python by Infowiz

This is to inform all students that Department of Computer Science is organizing an engaging Seminar on Python in collaboration with Infowiz Bathinda on 16th November 2023. The seminar will cover the essentials of Python programming, its applications in various fields, and provide hands-on coding demonstrations. Experts from Infowiz will guide students through practical insights to enhance their programming skills and explore the growing opportunities in the tech industry.

The following teachers are assigned duties for the smooth conduct of the event:

- · AP Deepali
- AP Manwinder Singh

All staff members are encouraged to motivate students to participate actively and support the event.
