Activity No. 3

Name of Activity: Har Ghar Tiranga

Date : 14-08-2023

Number of Students: 21

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

Name of Activity: Independence Day

Date: 15th August 2023

Number of Participant: 30

Participated in Independence Day Parade (15th Aug. 2023) at SDM Office, Budhlada.

Independence Day, in India, national holiday celebrated annually on August 15. Independence Day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. Independence Day is marked throughout India with flag-raising ceremonies, drills, and the singing of the Indian national anthem. Additionally, various cultural programs are made available in the state capitals. After the prime minister participates in the flag-raising ceremony at the Red Fort historic monument in Old Delhi, a parade ensues with members of the armed forces and police. The prime minister then delivers a televised address to the country, recounting the major accomplishments of India during the previous year and outlining future challenges and goals. **On this occasion NCC Cadets of Guru Nanak College, has Participated in the March Past at SDM Office Budhlada.**

Name of Activity: Teacher Day Celebration by Department of Science

Date: 05/09/2023

Description: Department of Science celebrated Teacher's Day on 5th September, 2023. On this occasion HOD Dr. Jatinder Singh told the students about importance and role of teachers in students' life. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher, and one of the most well known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

Students performed a scintillating cultural show to denote their love, respect, acknowledgement and recognition of the hard work put in by the teachers towards their development. The cultural show incorporated poems, songs, dance and drama. They also entertained teachers by arranging fun games for them. They indicated that, teachers play a vital role in making their pupil accountable citizens of tomorrow and wonderful human beings. They are the cornerstone of students' future and there's nothing worth enough to gratify them for their selfless service and commitment. All teachers enjoyed and appreciated the program.

Name of Students: Swachh Bharat Abhiyan

Date: 26-09-2023

Number of Students: 30

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019," said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a 'Clean India' by 2nd October 2019. Swachh Bharat activity conducted in the college surroundings where cadets involved in educating public about keeping surroundings clean and avoid open defecations and throwing litter on the streets.

Activity No: 21

Name of Activity: Mehndi Competition Women Empowerment Cell

Dated: 31st October, 2023

Description:

Women Empowerment Cell organized a Mehndi Competition for the girls students to enhance the skills on 31st October, 2023. The motive was to make them more impressive and confident about their skills

Rules and regulations:

- ✓ Mehndi design should be creative and unique.
- ✓ Mehndi design should be portrayed on one hand till elbow.
- ✓ Mehndi design must cover one hand and also must be covering both side of palm.
- ✓ The participants need to bring their own materials (Mehndi cones & other materials).
- ✓ A team must have 2 participants, one artist and the other is subject (Model).
- ✓ Time duration to complete the Mehndi will be one hour. No extra time will be provided.
- ✓ Judging will be based on overall appearance, creativity and design.

Mehndi, otherwise known as henna, is a paste associated with positive spirits and good luck. This competition was organised to seek and develop the traditional values among them. Students enthusiastically participated in the competition. They displayed their artistic designs through an array of mehendi on their hands. Some were old and common but some designs were unique and trendy. The aim of this competition was not merely to see the drawing skills of the students but also the creativity of the students and their way of representation which will in turn improve the overall personality of student. Students created beautiful designs in different themes. Mehendi reflects the rich Indian culture bringing together the knowledge of medicinal herbs with many lovely sentiments and beliefs. It is said that the deeper colour of the Mehendi on the hands symbolises the profound love. In some communities, the darkness of the Mehendi indicates the strength of the relationship

1. EVENT NAME - GO GREEN DIWALI

DIYA MAKING ,MEHNDI COMPEITION ,ART AND CRAFT,HOME MADE SWEETS

10 NOV 2023

On November 10, 2023, our community joyfully celebrated Green Diwali, blending tradition with sustainability in a series of delightful and eco-friendly events. The celebrations began with a *Diya Making Competition*, where participants of all ages gathered to create beautiful diyas using natural clay and eco-friendly paints. The emphasis was on eliminating toxic materials commonly used in commercial diyas, ensuring that the creations were safe for the environment. Participants, from children to adults, showcased their creativity by designing diyas in unique shapes and intricate patterns, which were later lit to brighten homes with their warm glow, contributing to an atmosphere of joy while protecting the planet. The *Mehndi Competition* was another significant part of the day, where participants displayed their artistic talent through intricate henna designs. In line with the theme of Green Diwali, only organic, chemical-free mehndi was used, ensuring that the celebrations remained safe for both the skin and the environment. The competition featured a variety of designs, from traditional motifs to modern patterns, with participants taking great pride in using natural ingredients like henna leaves and herbal oils to create stunning designs that celebrated the festive spirit of Diwali. Adding a sweet touch to the day, a *Homemade Sweets Competition* was also organized, where participants prepared traditional Diwali sweets using natural, locally sourced ingredients. The aim was to promote healthier and eco-friendly alternatives to store-bought sweets, many of which are packed in plastic. Delicacies like ladoos, barfis, and traditional mithais were prepared using jaggery, organic ghee, and fresh fruits, filling the air with their delicious aroma.

Name of Activity: CELEBRATION OF NATIONAL SCIENCE DAY IN PUNJAB

SCIENCE TALKS, PROJECT, MODELS

Date: February 27-28, 2024

Department of Science celebrated

National Science Day

Theme: Indigenous Technologies for Viksit Bharat

February 27-28, 2024

On February 27, 2024, the Department of Science at Guru Nanak College Budhlada marked National Science Day with a vibrant celebration focused on the theme "Science for Girls." With the generous grant provided by the Punjab State Council for Science and Technology and the National Council for Science and Technology Communication, the event aimed to promote and empower girls in the field of science. The day was filled with engaging activities and insightful experiments designed to inspire young minds and foster a passion for scientific inquiry among girls. Through this initiative, the department endeavored to break gender stereotypes and encourage more girls to pursue careers in science, contributing to a more diverse and inclusive scientific community.

Students organized Hands-on experiments to raise awareness about food adulteration and promote healthy lifestyles. They engage students in various experiments and demonstrations. They showcased common

food adulterants and demonstrated simple tests to detect them, such as the use of chemical reagents to identify the presence of harmful substances. By providing hands-on experiences, students not only raised awareness about food adulteration but also empowered others to make healthier lifestyle choices based on scientific knowledge. The students of graduate and post graduate students check soil pH by taking samples from different areas. Students also check hardness of water by taking samples of water from different areas. Further, students also study the acidity in different fruits, vegetables and tea leaves. Students determined surface tension of water and different liquids using Stalagmometer.

Dr. Jatinder Singh, as the head of the Department, enthusiastically imparted knowledge to students about C.V. Raman and his pivotal role in the field of science. Through engaging discussion he illuminated Raman's groundbreaking contributions to Physics, particularly his discovery of the Raman Effect, which revolutionized spectroscopy and earned him the Nobel Prize in Physics in 1930.

Dr. Rishi Kumar, by emphasizing Raman's perseverance, curiosity, and ingenuity, instills in his students a profound appreciation for the pursuit of knowledge and the importance of scientific discovery. With infectious enthusiasm, he encourages them to follow in Raman's footsteps, fostering a new generation of aspiring scientists eager to make their own mark on the world of research and innovation. His motivating words ignite a spark of curiosity and nurture the potential of his students leaving an indelible impression, shaping the future of scientific exploration for years to come.

Dr. Rajdeep kaur co-ordinated this whole event and emphasized Raman's scientific methodology, perseverance, and interdisciplinary approach, inspiring students to emulate his dedication and ingenuity in their own academic pursuits. By contextualizing Raman's achievements within the broader landscape of scientific innovation, she also fostered a deeper appreciation for the significance of curiosity-driven research and its enduring impact on society.

The rest staff of Department of Science i.e Dr. Dhruva Kumar, Dr. Hardeep Singh, Bhupinder kaur, Ashu Sharma, Harwinder kaur, Rajveer kaur, Harinder kaur, Sukhmanpreet Kaur and Gagandeep kaur (working as Assistant Professors) play great role in handling and success of the event. Gurjeet Singh and Sukhpreet Singh (Lab Assistants) were also present.

The success of event reflects Guru Nanak College's commitment to promote scientific knowledge among the youth. The Department of Science extends gratitude to the Punjab Council of Science and Technology and National Council for Science and Technology Communication for their support.

The Department of Science at Guru Nanak College Budhlada organised a grand celebration for National Science Day on February 28, 2024, centered around the theme of "Indigenous Technologies for Viksit Bharat". The event was graced by esteemed guest Mr. Manmeet Singh, an alumnus of the Science Department from the 2016-19 batch, currently serving as a Flying Officer in the Indian Air Force. The celebration was a testament to the Department's commitment to promoting scientific inquiry and innovation.

Various competitions were organized to engage students and enthusiasts in thought-provoking activities. These included declamation, debate, handicraft, quiz, poster making, and model making contests, each designed to encourage participants to explore and showcase their knowledge and creativity.

The generous grant provided by Punjab State Council for Science and Technology and the National Council for Science and Technology Communication amplified the impact of event and reach within the community.

Through this celebration, the Department of Science not only commemorated the legacy of Sir C.V. Raman but also inspired a new generation of scientists and innovators to contribute towards the advancement of indigenous technologies for the development of the nation. The event served as a platform for collaboration, learning, and appreciation of the role of science in shaping a brighter future for India.

Dr. Narinder Singh, the Principal of the college, also attended the event and graced the occasion with his presence, reaffirming the institution's commitment to promoting scientific education and research. Dr. Jatinder Singh, the Head of the Department offered words of encouragement and inspiration to the participants. Dr. Rishi Kumar also added to the significance of the event, highlighting the institution's commitment to fostering scientific education and research excellence. The meticulous organization of the event was overseen by Dr. Rajdeep Kaur, ensuring smooth coordination and execution.

At the conclusion of the event, prizes and certificates were distributed to the deserving students, acknowledging their exemplary performances and contributions towards promoting scientific awareness and innovation. In the debate competition, Babandeep Kaur, Amandeep Kaur, Gagandeep Kaur, Khushpreet Kaur, Tarun Jindal, and Simranjot Kaur emerged as the winners, showcasing their eloquence and critical thinking skills. In the Handicraft competition, Rupinder Kaur and Jashanpreet Kaur secured the first position, demonstrating exceptional creativity and craftsmanship, while Jasmine clinched the second position, and Dviti, Jashanpreet Kaur, and Amandeep Kaur secured the third position with their remarkable creations. Reena, Harmaldeep Kaur, and Harmanpreet Singh claimed the top three positions in the declamation competition, captivating the audience with their powerful oratory and expressive delivery. Priyanka, Sonpreet Kaur, and Jashanpreet Kaur showcased their artistic talents in the poster making competition, securing the first, second, and third positions respectively with their visually striking compositions. Priyanka, Omika, Yashika, and Bobby emerged victorious in the quiz competition, demonstrating their extensive knowledge and quick thinking. Kunal Jindal, Prachi Goyal, Tushar, and Mehakdeep Kaur showcased their innovation and technical prowess, securing the first position in the model making competition, while Sukhmandeep Kaur and Deepanshu claimed the second position, and Deepanshu, Jasmine, Diksha, Manpreet, Isha, Jyoti, Jasdeep Kaur and Harjeet kaur secured the third position with their impressive creations. Jasmine, Diksha, Manpreet Kaur, Khushpreet Kaur, Husanpreet Kaur and Deepanshu excelled in the hands-on experiment, securing the first position, followed by Veerpal Kaur and Komal in the second position, and Tarun Jindal and Khushpreet Kaur in the third position, showcasing their practical skills and scientific acumen.

The rest staff of Department of Science i.e Dr. Dhruva Kumar, Dr. Hardeep Singh, Bhupinder Kaur, Ashu Sharma, Harwinder Kaur, Rajveer Kaur, Harinder Kaur, Sukhmanpreet Kaur and Gagandeep Kaur (working as Assistant Professors) play great role in handling and success of the event. Gurjeet Singh and Sukhpreet Singh (Lab assistants) were also present.

The success of event reflects Guru Nanak College's commitment to promote scientific knowledge among the youth. The Department of Science extends gratitude to the Punjab Council of Science and Technology and National Council for Science and Technology Communication for their support.

Science Carnivals feature wide variety of events. Outcomes from the event are mentioned below

1. Discussed achievements, activities, and efforts of famous personalities in the field of Science & Technology.
2. This platform helped to develop various skills of students such as critical thinking, problem solving, time management and communication by applying the principles of scientific methods.
3. Present event helped to spread awareness of the power of science and technology on current issues in the world and how science can solve those issues.

About National Science Day (NSD)

Department of Science of Guru Nanak College, Budhlada is celebrating National Science Day 2024 (NSD) on theme "Indigenous Technologies For Viksit Bharat" being sponsored by Punjab State Council of Science & Technology. Celebrating NSD aim is to discuss all issues and implement new technologies for the development in field of science, encourage youth to develop interest and understand the importance of science and technology, platform for showcasing the talents and skill of students and enable students to enjoy science concepts and to engage them on scientific issues.

About Institution

Guru Nanak College (NAAC Accredited 'A++' Grade) affiliated to Punjabi University, Patiala (listed in 12(b) & 2(f) sections of UGC Act 1956) is situated on the outskirts of Budhlada city - a small town of district Mansa in Punjab. To tribute the 500th birth anniversary of "Sri Guru Nanak Dev Ji", it was started in 1971 by some eminent personalities of the region to keep in mind the noble cause of making affordable education accessible to all the people of this backward, rural and remote area. At present, it has become the foremost organisation in the area, having 16 PG and 12 UG courses (including 03 skill-development vocational and industry oriented courses).

About Science Department

Our department of Science is at the forefront of scientific exploration, conducting ground breaking research in diverse fields of Chemistry, Physics, Zoology and Botany at Guru Nanak College Budhlada. Some highlights of department strength are:

- Dynamic, updated academic programs in BSc (Medical and Non Medical), MSc in Chemistry and Physics under Curriculum of Punjabi University Patiala.
- Renowned PhD and NET quality faculty fostering excellence.
- State-of-the-art labs for hands-on learning sponsored by Department of Biotechnology (DBT).
- Interdisciplinary approach for holistic understanding amongst the students.
- Strong industry tie ups and MoU's for practical experience, field and industrial visits, field projects.
- Abundant research opportunities for critical thinking of students.
- Global perspective through collaborations with the Institutions of National Importance.
- Support services for academic and personality growth of the students.
- Emphasis on diversity, creating an inclusive community.

Activity No: 39

Name of Activity: Lecture on Women Day by Department of Fashion and Technology

Dated: 08 March, 2024

Description: A Lecture on Women Day was organized by Department of Fashion and Technology. Though there has been a massive change in the position of Women, but still it needs a lot. A woman is still not able to express her feelings freely and boldly. She is being dominated by various powerful segments of the society and lags behind. An answer to all these questions is that a woman is not empowered yet. She is living in the age of darkness and ignorance. In view of this scenario, Guru Nanak College, Budhlada formed Women Empowerment Cell to strengthen the girl students and make them confident and powerful by making them aware of their rights, so that they could grab respectable position in the society.

Event Type: Poetry recitation competition

Event Name: Poetry recitation Competition on Poetry Day

Date: 21 March 2024

Expert Judges: Dr. Gurjasjeet Kaur and Dr. Sheetal Bajaj

Description: The Poetry recitation Competition on 21 March 2024 brought together 20 talented participants, each showcasing their public speaking abilities and creativity. Competitors will present their well-crafted poetry on diverse topics, aiming to captivate the audience and impress a panel of expert judges.

Impact: Poetry recitation competition on Poetry Day has a profound impact on participants, fostering creativity, confidence, and effective communication skills. It encourages students to explore and express their thoughts, emotions, and ideas through poetry, promoting self-expression, imagination, and linguistic skills. The competition also provides a platform for students to showcase their talents, receive feedback,
