"EcoRevive" campaign

The "EcoRevive" campaign will be held on August 31, 2023, featuring a comprehensive cleanliness drive and waste management initiative. Students are expected to participate in waste segregation, recycling activities, and community engagement workshops. This event offers a unique opportunity to apply your management skills towards environmental conservation. All participants should gather at the college auditorium at 9:00 AM on the day of the event. Your active involvement is essential for the success of this impactful initiative.

Description

The students of Commerce and Management department demonstrated exceptional environmental leadership through their "EcoRevive" campaign on August 31, 2023. The dedicated team organized a comprehensive cleanliness drive, implementing their management skills to coordinate waste segregation and recycling activities effectively. Students applied their business acumen to create sustainable waste management strategies, engaging local community members through well-planned workshops and demonstrations. The initiative showcased how commerce students could blend their organizational abilities with environmental consciousness to create meaningful impact.

Activity Name: 3-Day Workshop On E-Waste Management

Date :- 27,28 &30 March,2024

Total participants: 56

Description:- E-waste management refers to **properly disposing and managing electronic waste**, including old or discarded electronic gadgets such as phones, computers, and televisions. The process involves the collection, transportation, recycling, refurbishing, and disposal of electronic waste in an environmentally-friendly manner. **E-waste management** is also defined as a holistic method of cutting down E-waste from the earth to prevent its harmful toxicity from deteriorating the earth. It recycles and reuses the e-waste that is no longer needed.
